**Registration Deadline for the 2010 Season is Saturday, March 13, 2010**

The Red Deer Minor Baseball Association offers baseball programs for players (boys and girls) from 6 to 18 years of age. The programs vary in skill levels from Rec (house league) to AA and AAA in the Mosquito, PeeWee, Bantam and Midget age categories. There are currently close to 400 players in the system and the Association is growing.

**Late fee** of \$25 applies to those who register after the posted date. **Refunds** will be subject to a 20% administration fee.

## Rec Division (House League):

**Evaluation dates** will be posted on the website when available. Evaluations should start mid to late April. Leagues begin in late April or early May and end in late June. All players will be placed on a team provided there are enough registrants. Players will be contacted after the evaluations and teams have been drafted. Depending on the number of players registered, there may be a limited amount of travel within Central Alberta at the Bantam and Midget levels.

A **Parent/Coaches Meeting** will be held at the beginning of the season to select coaches and other parents to fulfill various duties and roles for each league or age category. These leagues run only with parental support. RDMBA provides the scheduling, ball fields and necessary equipment. Lack of parental support may put the program at risk.
